

We Believe . . .

Fall was coming and the school building had that fresh waxed smell that says the new year is soon to begin. Everybody was getting ready, because everybody knew they had to go to school. Soon the first day came along, and all of the people got spruced up to go to school.

They found that it was hard to get into the routine of school. Some of the people were tempted to quit. Several did.

The people saw that the traditions and times were changing. The President indicted a price freeze, some of the students gained the right to vote, and many followed the news on the adult rights, including the right to drink at nineteen. There was still more—our concession stand was closed during lunch hour, Mr. Webb left North High, Mr. Brownell came, the seniors eliminated Baccalaureate; the band made plans to tour Hawaii, and the Spanish club planned a trip to Mexico. There was also another exciting event, the students staged a sit-in protesting the recommendation that Coach Camp should be dismissed from coaching the basketball team.

By the time spring had come, the people had begun to think, and wonder. "Hey!" the people cried, "Why are things changing? Who are we? What do we believe?"

New English Program Proves Effective

Completing its first year under the new system, the English department held up well. Some classes were dropped, but many were extended into extra periods. Three new studies are being added next year; Contemporary Literature, Themes and Literature, and Literature for Today.

Preparing and serving lunch each day occupies a lot of time and energy. North's staff of cafeteria workers somehow, manage to get the lunch out. Helping with the efficiency found was the purchase of a new dishwasher.

Cleaning the halls and rooms of the school is the job of the maintenance crew. The janitors also put in extra time and duty at basketball games and open houses.

NHS Council

North High Student Council was a relative success this year. During the 1st semester the student council obtained room 213 as their co-ordinating office. The Robert Keck Seminars, held in November, concentrated on a wide range of topics ranging from abortion to rock music.

During the Christmas season the council gave a party for children at the Day Care Center. Tom Moore as Santa Claus presented the children gifts purchased from money donated by the student body. They also held a Christmas door decoration contest, with Owen Jones and HR winning two first prizes.

Second semester student council planned a "Fun Day." This day consisted of a bike hike, frisbee fling, a kite flying contest, and an All City Dance in the evening.

Club Serve North

Selling student directories to the student body was an achievement of North High's Lettermen and Key Clubs working together

Lettermen's Club selected a Letterman of the Week and kept the lobby showcase stocked with current sports pictures

Serving as advisor was Mr Lawson

Key Club created school spirit at games by yelling many of their cheers

Mr. Streyffler served as sponsor for the club

Key Club on the rocks! Members of the club are seen here during a recent meeting. Terry Henson, president, and Jeff Baker, vice president, are also visible.

Key Club Officers—Terry Henson, treasurer; Chuck Berg, vice president.

Do you think this is really the place for THOSE kind of jokes

SOCIAL COMMITTEE KEEPS ON TRUCKIN'

Homecoming '71 Keeps On Truckin'

Social Committee's activities consisted of choosing a band and theme, designing and building a float, and decorating the cafeteria for Homecoming '72. Brenda Gano and Mark Battles broke a tradition when they were elected as co-chairmen of the committee.

Polar Bear defense converges on a Scarlet back

the Key to Polar Bears' 1971 Season

Despite a fine defensive effort, the Polar Bears lost a heartbreaker to crosstown rival East in their conference debut. After this followed three weeks against Dowling, Roosevelt and Lincoln, all rated powers. A lack of depth cost the Bears needed strength to stay in the games yet, as Homecoming rolled around, N. H. S. was tenacious in its battle against Hoover. The offensive unit tied things up at the half and kept things close until the final quarter. The last two games were played in seas of mud and with the soggy turfs, the gridgers fell to Volley and tied the Engineers, 6-6.

North also had a new coaching staff headed by Alex Glann. Coach Glann, a 1962 alumnus, brought many new aspects to the game. Other coaches were. Bo Belding, line coach, and Cecil Brewton backfield coach.

In a year when the numbers were small, North's wrestlers relied on individual talent rather than on team effort. Hindered with at least two weights forfeited every meet, the team was winless in dual competition.

However, several men were consistent throughout the season. Under the direction of coach Tom Lutz, many finished with a successful season as a result of their work and dedication.

The 1971-1972 season for North's tankers proved to be one of the most successful in recent years. Guided by Coaches Bob Lawson and Cecil Brewton, the swimmers compiled a misleading 3-4 record in Metro Conference competition. Individually speaking, the Polar Bears were rich in talent with Fred Brewton, Reggie Lewis, Bill Willson, and Rick Kieler all establishing new school records. In state competition, Lewis, Brewton, and the 400 yd. medley team all qualified for the tourney with Lewis placing fifth in diving

BASKETBALL

Hoping for another Metropolitan Conference title, and a repeat of last year's record, the Polar Bear Cogers entered the 71-72 season confidently. Their confidence was slightly halted by the number one rated Little Cyclones of Ames, by the score of 99 to 70. Hopes were high again after winning seven of the next nine games. The only two losses were inflicted by the Maroons of Dowling 90-72, and the fifth rated Bobcats from Marshalltown 78-71

Cagers Battle Through Rugged Year

At the end of the first half of the season, the Polar Bears were tied for first place in Metro Conference action. By breaking Tech's eight game winning streak, the cagers had their hopes set on a basketball championship. The feeling was short lived however, having lost six of the final eight games. Second half victories over the Hoover Huskies and the Tigers of Valley accounted for the only wins as NHS also dropped the district opener to Roosevelt. Consequently, North High finished the 1972 season on a relatively sour note

SOPH BASKETBALL '72

On the basketball scene for sophomores this year, the Cubs showed good potential for upcoming seasons. Under the direction of head coach Dick Jay and assistant Coach Bob Ligouri, the sophs scored big wins over Metro opponents such as Dowling, Hoover, and Roosevelt. In addition, the squad dealt the Engineers a rousing defeat in the first half of the Bears' triumph at the Tech High gym.

Throughout the year, the Cubs showed talent as evidenced by the performances of Bobby Holmes, Russel Watley, Walter Matlock, and Steve Hodges, among others.

Girls Conquer Swimming, Softball

SWIMMING

With females making their strides in Women's Lib, the girls at NHS proved their aquatic ability in swimming competition last fall. With Coach Harry Mortensen taking charge of things, the girls went through rugged workouts with the results evidenced in victories over SEP and Tech. Leading the way for the team was standout Sue Leveke, with Debbie Johnson and Frances Van Dam close behind. All in all, cooperation and teamwork proved to be one of the group's biggest assets.

SOFTBALL

Fall is supposed to be the time of year for football and cross country, but the NHS girls have also made it the time for playing softball. In their first year of existence, the team set an example for other city schools to follow, as most of North's opponents were from outside Des Moines. With their Coach, Bill Funte, the girls put forth effort and entertainment during the season.

Cindermen Fly Through 1972

The cindermen at North High spent the spring of '72 low in both numbers and experience. With only around fifteen men out for the team, head Coach Ken Whitney had to rely on individual talent for success. In addition, the squad was composed of mainly underclassmen in their first year of varsity competition.

Yet, among the bright spots were seniors Chuck Berg, Mark Perkins, and Hiro Yamada, along with juniors Rick Hampe and Bill Willson. Taking control with the discus, Berg's early season efforts of nearly 150 ft put him in contention for the conference title. Perkins and Yamada performed well in the hurdles while Hampe and Willson provided the base for long distance events.

Summertime means rest and relaxation for some, and baseball for others. With Terry Henson, Rick Pepper, Larry Minks, and Dave McCombs the only returning lettermen, the team will be in need of men who can quickly adjust to varsity competition. Returning as head coach is Frank Calhoun, who hopes to put NHS in the thick of Metro competition. Due to the inexperience, the outcome of the squad may lie in the hands of some untested sophomore players

Volleyball Team Goes to State

Although few were aware of it, the only NHS team to go to state was that of girls' volleyball. In their second year of competition, the squad hosted the state meet, only to lose out in the first round. Under Coach Helen Muell, the girls exhibited fine ability in their quest for victory.

Theresa Westlake and her escort Craig Hansen reigned as Queen and Mr. Football at the Homecoming Dance

'71 Homecoming

The weekend of October 15 and 16 was a special one in the eyes of many North students. For some it was their first dance at North, for social committee the result of weeks of planning and for Theresa Westlake two days to remember. Theresa was chosen Queen at the half-time of the North-Tech football game October 15. With her escort Craig Hansen, who was named Mr. Football, she ruled over "Northern Lights" held October 16. West Min'ster provided the music for the dance and queen crowning

Announcing the queen at the football game was only one change from previous Homecomings. This year the whole school voted for queen and ex-princesses were eligible to run for queen

Northern Lights was further expressed in a float built by North students, to lead the car rally before the Homecoming game

Serves As Basis For NHS Assemblies

The McGraw sisters and assorted helpers, launched the sale of Pancake tickets.

Although students had the choice whether to go to the assemblies or to study hall, most students realized they would have missed out by going to study hall. Some of the exciting assemblies this year included several music assemblies, an "I can't believe I ate the whole thing" pancake assembly, "This Is Your Life" program honoring Mr. Webb, and a controversial Brian Ruud program that made students stop and think. Even the sophomores, on the shelf, were able to understand and enjoy them!

As time ticks slowly by, the sophomores dream of next year

Pep Assemblies Spark Enthusiasm, Spirit

Urging our teams onto victory, singing the school song, and letting off steam by cheering are goals of the pep assemblies. What pep assembly would be complete without cheerleaders 'whooping it up,' the band 'playing on,' and skits putting us on? And who can forget Mr. Jones' jokes, Mr. Webb's "You may now return to your second hour class," and the sophomores waiting eagerly, on the shelf, for the 'fun' to begin?

A pep assembly is a time when the school spirit is at its peak.

Everything is planned and ready to go with the cheerleaders right in their toes' as usual.

Fall Play Is "J. B."

"Hark! Who comest thou?" echoed throughout the auditorium November 12th and 13th, the dates of the Fall Play

"J.B.," a drama in three acts, was written by Archibald Macleish, and directed by North High's drama teacher, John Thompson

The play was based on the Book of Job from the Bible in which God tested the faith of man. The play starts out with the antics of two traveling circus performers that get involved in a circle of tragedies and include such characters as God and Satan

Tripod Presented By Thespians

Thespians presented three one acts January 13 and 14. Called Tripod, the plays were: Next by Terrance McNally, The Lovliest Day of the Year, by John Guare, and Black Comedy, by Peter Shaffer. The student directors were respectively, Bill Reese, Dana Brodeen, and Nick Peters

Ropejumpers Twirl Throughout Iowa

Jean Young, Captain

The North High Ropejumpers were very busy this year giving many performances in and outside of Iowa. Under the supervision of Miss Marilyn Quinn, girls gym teacher, the girls first traveled to Storm Lake. Other performances included a half-time performance at the new Hilton Coliseum at Iowa State in Ames, Graceland College, Creighton University in Omaha, Briar Cliff College in Sioux City, plus performing to the music of the North High Stage Band during the halftime of one of the Girls State Basketball Tournament games.

They have also received an invitation to give a performance at the Iowa State Fair.

The Choir this year has been very active performing for the Des Moines Rotary Club at the Hotel Fort Des Moines, presenting a winter choir program, and competing against seven other Iowa high schools in the Iowa Music Festival which took place May 5

Girls Glee was also active this year performing two numbers at the winter choir program, and also giving an entertaining performance at Wesley Acres, retirement home

Honolulu Bound . . . These two words have been the driving force for all the bandsmen (not to mention their parents) this year. Band members have been working hard in order to make their Hawaiian dream come true. From bake sales to raking yards, many fund raising projects have been undertaken striving to earn the almost 30,000 dollars needed. The band is scheduled to spend eight days in Honolulu during which time the Band will march in the 100th Annual King Kamehameha Day Celebration and will perform several other times throughout their tour of the Islands. The trip is being made possible by a personal invitation from the Governor of Hawaii, John Burns.

Sue, head of the '72 yearbook staff, works hard typing up copy for the title pages of her yearbook.

Of the growing number of elective courses available, Journalism falls into this category.

Not wanting to seem old-fashioned, the yearbook and Oracle staff under the direction of Mrs. Penny Kelly, has experimented with new techniques, such as changing from the letter press to offset, allowing for a better quality in pictures and providing color and mood to fit any page. Also solarization, which is making a print look more like a negative and a new technique, reversing types such as white type on black paper.

Both the Oracle and Polar Bear staff members have worked hard this 71-72 season doing their best to use everything they have learned to keep North High's students well informed and to provide them with memories they will long remember.

Roger and Lois, who head the Oracle staff, take time out from their many duties to discuss a page of their paper.

SENIORS

A A A A CHOO!!!!

PBLHTTTT!!!!

Uh, oh! My pen's caught!"

We believe in "72"

Seniors . . .

Out of a class of 284, 43 seniors made the upper 15%. The upper three per cent consisted of the top nine seniors. A Scholarship Banquet was held at North May 6 for the upper 25 of the class.

The top 3% of the senior class includes Frank Wang, Roger Cullen, John Rieff, Cindy Erickson, Steve Hanson, Joe Crosswhite, Barb Johnson, Margo Barker and not pictured is Becky Pennington.

WE Believe

Caught away from her studies, this year valedictorian Barb Johnson relaxes. Barb commented "It's really been great to have been a North student and there's some things I've really enjoyed about my high school experience."

The student body officers are: Student Representative, Mike Guadagnoli; Student Body Secretary, Heidi Arnold; Student Body Treasurer, Sam England; Girls' Representative, Stacey Taylor, on the ledge.

In FUN!

Yes—it's going to take more energy, not less, to
help keep old "spaceship earth" a fit place to live on.
Yet, this energy must be produced in a way that
protects our precious natural environment.

We're working hard to be a smaller part of the
problem—and a bigger part of the solution.

Your friendly, neighborhood hamburger.

When you're hungry, close counts. And, we're very
close. Love thy neighbor. Drop in any time.

Up tight about choosing the right college?

Make your choice Grand View College,
the right on place to go.

Where you go for your college education is one of the most important decisions you'll be making

So choose carefully. Consider . . . 2 and 3 year programs, faculty personally interested in each student, modern classrooms, fully accredited liberal arts and pre-professional curriculum and reasonable tuition

In other words Grand View offers a quality education you can afford. No need to be up tight when you make your decision.

Warm weather came. The thoughts of the people began trailing outside to the world of fresh air and sunshine. The nearby parks were full of students on week nights as well as weekends. Birdland lagoon, the river, and even the nearby train tressle seemed to be fascinating places to escape to during lunch periods. One thing seemed different though, the people had gained a lot of experience.

The students knew that they had changed the routine, each adding to the spirit of North High in their own individual way. And they saw the changes—classes seemed more casual, people's views became more liberal, a lot of people rode 10 speed bicycles to school, and everybody wore blue jeans and sneakers.

They knew that the people make the school what it is.

"Hey!" the people cried. "We've learned a lot here! We've changed our school, we've added to it. We're not just the students of a school, we are the people of North High. This is our school. This is our year. We believe in '72."
